I have been given the opportunity to ask any questions regarding the nature and purpose of this treatment known as **Oral Surgery Tooth Extraction** and have received answers to my satisfaction. I have been given the option of seeking care from any Oral-Maxillofacial surgeon; a periodontist; and/or Endodontist. I do voluntarily assume any and all possible risks, including the risk of substantial harm, if any, which may be associated with any phase of this treatment in hopes of obtaining the desired results, which may or may not be achieved. No guarantees or promises have been made to me concerning my recovery and results of treatment to be rendered to me. The fee(s) for this service have been explained to me and are satisfactory. By signing this form, I am freely giving my consent to allow and authorized Dr. Mark

Walker to render any treatment necessary or advisable to my dental conditions, including any and all anesthetics and/or medications.

Unforeseen conditions may arise during the procedure that requires a different procedure than set forth above. I therefore authorize Dr. Mark Walker to perform such procedures when, in their professional judgment, they are necessary. I also verify that I have provided a complete and accurate medical history that includes all medications, drug use, allergies, previous surgeries, and pregnancy information and history. I understand that the medications, drugs, anesthetics and prescriptions taken for this procedure may cause drowsiness and lack of awareness and coordination. I also understand that I should not consume alcohol or other drugs because they can increase the effects. I have been advised not to work and not to operate any vehicle, automobile, or hazardous devices while taking such medications and until fully recovered from their effects. It has been explained to me and I understand that a perfect result is not guaranteed or warranted.
